SAL Institute of Technology, Ahmedabad (G.T.U)

Bachelor in E.C

2009 - 2012

Government Polytechnic, Ahmedabad (G.T.U)

Diploma in E.C

Skills

Cloud Stack

- AWS (Amazon Web Service)
- GCP (Google Cloud Platform)

DevOps Tools

- Orchestration & Container(Kubernetes and Docker)
- Infrastructure as a code(Cloudformation, Terraform, Ansible)
- Jenkins, Bitbucket and Gitlab CI/CD
- Zabbix, Grafana, ELK
- Apache, Nginx, Tomcat
- MongoDB, Postgres and Mysql

Languages

- Shell Scripting, Python (Familiar)
- JSON (Familiar)
- YAML (Familiar)

Learning & Certification

- AWS Solution Architect Associate(2017)
- Google Associate Cloud Engineer(2020)
- Google Cloud DevOps Professional Engineer(2020)

Soft Skills & Strength

- Mentoring
- Time Management
- Leadership
- Hardworking and Learning

OS

- Ubuntu, RedHat, Centos, Amazon Linux
- Windows server
